**Subject:** Confirmation for abstract submission from SETAC North America

## SETAC Meeting Management System::Abstract Submission

This email confirms that we have successfully received your abstract to be considered for this meeting. Every abstract will be reviewed by the program committee during the abstract review meeting the end of June. You will receive an acceptance or rejection email notification by 17 July with full details. If you do not receive an email acceptance notification from SETAC by 17 July, please email [jason@setac.org](mailto:jason@setac.org) for details.

Check <https://toronto.setac.org/> for news and updates.
